# Questions

1. Is it possible to have a realtime newsfeed?
2. What color scheme?
3. Is it possible to swipe waves over as a form of selection?
4. Out of our presentation, what can or can't be done? (Programmable)
5. **FEEDBACK!!!**

The background consists of eight vertical stripes of equal width, each with a different color gradient. From left to right, the colors are: purple-to-pink, blue-to-purple, light blue-to-white, red-to-orange, brown-to-yellow, dark blue-to-blue, and yellow-to-pink.
